Dear Parent,

Greetings from Loyola International School!

On behalf of the Management, Principal and Staff, we are delighted to welcome you and your child/children to the new academic year 2024/2025 at Loyola International School.

This year is filled with new beginnings, for some children it is a new chapter at a new school, for our returning children, it is going to be another year of continued excitement. All in all, for all our students at Loyola, this year is our **Tenth Anniversary** Celebration, and we as a school are extremely proud and pleased to be the Second Home for all of you.

Some of the highlight initiatives lined up for this year in the Co-Curricular Activities Program, commence with the all-important Investiture Ceremony where we crown new leaders, new captains and this event is scheduled for early May 2024. Following this, is the return of our Annual Arts & Science Exhibition for June 2024, and we continue to the later part of the year with a revamped focus on various Clubs, Inter-House contests, Debates/Elocution, and the Mega 10th year celebration of our School's Annual Day 2024 (November).

On the Academic front, we are excited to announce the launch of Humanities Section for students starting at Grade XI, primed to offer Political Sciences, Economy & Psychology as the Core subjects. Students interested to pursue and build a different career away from Science & Commerce, are invited to send an email to our Academic Coordinator (biby.mytheen@lisdoha.com) expressing your willingness to join the Humanities Section.

All our efficient and crafted Teachers are excited to take our children on a memorable journey by focusing on Academics, Group-Work, Activities, Sports, and some new global initiatives all built to bring in a 360-degree development and outlook towards our future leaders.
