Dear Parents,

Greetings from Loyola International School!

Every year, this time around, we start working on one of the most important events of our school, an event that gives every student an opportunity to celebrate, rejoice and showcase their inner talent which ensures their holistic development, a time for us to cherish. And this year being the Decennial (10th Anniversary) of Loyola International School, we are immensely proud of what the school stands for and believes in. It's time for our **"Decennial Day Celebration 2024/25"**.

This event sets the stage for our students to take part in various forms of performing arts that is songs, dance, acting/drama, or skits, anchoring or lending support in various other activities.

Apart from all the cultural fiesta, & festivity, our top performers also receive accolades and commendations for their continuous contribution to academic and non-academic achievements.
