“Right to Food: For a Better Life and a Better Future,”

World Food Day

Dear parents,
Greetings of the Day!

We are excited to announce that our school will celebrate World Food Day on Thursday October 24, 2024. This year’s theme is “Right to Food: For a Better Life and a Better Future,” which highlights the fundamental human right to access adequate and nutritious food.

The theme encourages us to think critically about the importance of food security, ensuring that everyone has access to sufficient, safe, and nutritious food for a healthy life. It also reminds us of the crucial role food plays in shaping our future by promoting well-being, health, and development.
